

REYC General Meeting 091115

The meeting began with the Pledge of Allegiance

Membership- Terry E told the members that he is looking into the possibility of having boats from other clubs pay to use our empty slips during the winter. They must bring their own ice eaters and pay their own electric bill. Joppatown Marina is shutting down and will need a place to put boats per Ken. Terry will make a flyer. John and Jill Cashman resigned. They are lifetime members.

Steve Rockel stated that he thinks in the last meeting a motion should have been stopped and a new quorum count made before accepting motion on the propane tank. He thinks attendance should be taken at every meeting. This was defeated at previous meeting.

Treasurer (not present) No report

Corresponding – Stephanie said Terry and Andy Crawl are doing a Motown night Saturday. Erni is doing a German night Sept 18th. Saturday is the Chili Cook-off and corn hole event. It is \$15.00 a team and will have cash prizes. Sept. 20th is Family Fun Day at Eastern YC. The cost is \$2.00 and bring a covered side dish. The REYC Crab Feast is Sat. Sept 26th. The Commodore's Ball is Oct. 10th at Martin's East. Discussion on notifying Stephanie if you sell a Ball ticket to someone. There is no "general pool". This is so we don't pay for meals for people who don't attend or for lost tickets.

Fleet- Mike reported the August cruise was a success. Baltimore Yacht Club recently brought in over 70 people.

Vice Commodore- (not present) Stephanie reported Len will need more solar lights for the piers. Solar lights lose power at some point and do not stay lit all night.

Commodore- Make sure you pay your mid-year bills to avoid a late charge.

Paul Watsic's father died. Rena is recovering and so is Andy after surgery. Galloway YC is coming in October. Penny told the club she made a profit of \$2,200.00 since she took over entertainment chair.

Kitchen- Erni is thinking of holding a "Cook for the Cook" night where the men cook.

Facilities Mike said we can't put propane tank in the ground because they have raised the flood plain. Mike will check with Baltimore County to see if we can put tank where proposed.

Board- The Board is meeting to work on the new lease. The final edition will go to the membership.

Steve said there is a Golf Tournament at Rocky Point Oct. 19th. Cost is \$85.00.

Three C's- Jerry reminded everyone to sign up for the Three C's.

Bylaws- Jerry said Article VII, section I should be changed to return to previous bylaw.

The Board of Governors shall consist of the Commodore and eight (8) elected members.

Four(4) of the eight elected members shall be elected annually for a term of two (2) years.

Motion – Jerry, seconded by Irene. Accept the change in bylaw. Passed.

New Business

We need a corresponding secretary. It is vital for communication to other clubs. You get 100% of work hours. We could use some more handicapped parking spaces.

Good of the Club.

Leave the thermostat alone. People change it and forget to set it back.
