Message from the Commodore Karen Frey

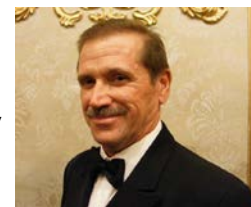

What a great month we have had! Our Fourth of July cruise was fun, followed by the fireworks raft-out on our own Sue Creek.

Then came a fabulous "famous" Red Eye steak dinner and karaoke with the Power Squadron and the ya-ya cousins (of Galloway member Richard Murphy) in attendance. If you missed that one, you missed a hilarious time!

Looking forward, we have no big events scheduled for August, but there is a Labor Day cruise to St. Michael's you might want to consider. Riverside of PA will be visiting August 9, and the Galley Slaves competition will be August 10 at Bush River. Do we have any women bold enough to compete? The Wounded Warriors event at North Point YC is the weekend of August 16, if you are interested in supporting them. Just get out on your boats and make the most of the last full month of summer!

Message from the Vice Commodore Terry Edgell

I hope your boating season is in full-swing! Summer is definitely upon us and is looking good.

The new sidewalk looks great! There are other items that need also attention. If you are looking for work hours, please contact me or check the work list in the backroom.

Just a reminder, that our 50th Anniversary Ball, to be held at Crescent Yacht Club, is only 3 months away. More details to follow. We will meet again on the last Sunday of August and September at 6:30 to fine tune the event. Tony S. has graciously accepted the MC spot. It ought to be quite an evening. If you plan on coming by boat, please contact the Fleet Captain Ryan Peters (fleetcaptain@crescentyacht.com) at Crescent Yacht Club (410-687-2582) to reserve a slip. Club billing for the 1st half of the year has gone out. Included in this billing, is one (1) Ball ticket. Hope you plan on attending with a guest. Please RSVP, Stephanie Long, (familygaff@yahoo.com) no later than September 15th. Thanks!

New Members Welcome!

Roman & Ulana Goy,

Bill Schuman & Rena
Vanicek, social members

Message from the Rear Commodore Liz Selig

Hope everyone is enjoying the recent break in the heat wave. It looks like the pile driver will finally be making his appearance this week. I appreciate everyone's patience and cooperation. I want to thank everyone for moving there boats, dinghy, and jet skis so the pile driver has access.

If you need work hours please contact me there is still plenty of work that needs to be done in conjunction with this project.

Message from the Fleet Captain Leonard Long, Sr

The 4th of July cruise to Haven Harbour in Rock Hall was a successful and fun time. Haven Harbour has a clean facility with lots to do and many friendly faces. Rock Hall has plenty of small town charms!

July 6th was the fireworks here in Essex/Middle River. Several members rafted out together and many other hung around the club enjoying food, drinks and swimming.

Riverside from PA is coming in on Friday, August 9th. There will be karaoke set-up, which in recent weeks has proven to be a lot of fun around the club. The membership meeting is that evening, but please stick around to sing, observe and of course, support our club.

The next cruise scheduled is going to St Michael's Labor Day Weekend.

The Family Picnic hosted by Eastern Yacht Club is September 29th. Please see attached flyer:

Bar Report

Bar Committee -P/C Jerry Selig, P/C John Cashman

Bartenders hours will be:

Friday 6pm -2am

Saturday 6pm -2am

Sunday 3pm -9pm

Looks like members really want to have tabs at the bar. SO, this is how it will work:

1. Tabs are only when the bartenders are on duty.
2. You must surrender your chit card or credit card to bartender.

All other times, NO tabs. We will see how this works, we are not chasing members down to get them to pay their tabs.

Rental Agreements have been finalized and will be taking affect August 1. Anyone using the facility will have to sign this agreement. We have added a fee to the agreement to cover costs incurred by the club. Member will be \$25.00 and Social member will be \$50.00. Please communicate with Judy for the use of the facilities.

Also, remember, last person out of the building, lock all doors, check windows and make sure lights are off. Too many times we come in and doors are left open etc and no one around.
