Message from the Commodore Terry Edgell

First of all, I would like to thank everyone who attended our 50th Anniversary Commodore's Ball. I hope you had a great time. It really was wonderful seeing so many of you. A huge thank-you to Liz Selig, Stephanie Gaff, Ernie, Judy, Tony, and Dog for their hard work. Many others stepped up to lend a hand for which I am also grateful. Don created a CD with pictures of the night that you can watch anytime at the Club. Stephanie posted quite a few on our private [Facebook](#) site.

As the improvements on our Club begin, there are lots of opportunities to acquire work hours early on. Don't forget to attend our final Club event of the year, the Annual Pig Roast, on November 2nd. The food will be great and the entertainment unmatched with Big Dog at the helm. Let's start thinking about future events we can plan in our new improved facility. We are known for the "biggest little Club on the Bay". Please join in making this goal a reality. I am proud to be your Commodore as we celebrate our 50th year. I promise to work hard for our Club and for each and every one of you. If you are interested in serving on a Committee, please let me know. Someone once said, "*Patience, persistence and perspiration make an unbeatable combination for success.*" Sounds pretty good to me. See you at our next meeting on November 8th.

Commodore Terry Edgell

Message from the Vice Commodore Liz Selig

It was great to see so many members at the Commodores Ball. Thank you all for coming and celebrating REYC's 50th Anniversary!

On Saturday November 9th the Rear Commodore and I will have the annual winterization work party. We will prepare both the piers and the clubhouse for winter weather. Pier water will be turned off, pump out will be winterized, ice eaters will be placed, and air conditioners will be removed from some of the buildings windows.

In addition to winterization, I am having a dumpster delivered. We will prepare the clubhouse for upcoming renovations by removing clutter from the basement and outbuildings. All new found space will be needed to store items during the renovation process. I would really appreciate the members taking time from their busy schedules to lend a hand so that this may be completed in a timely matter. Work not completed will carry over to the following weekend. Anyone needing work hours beyond these upcoming work parties should contact me.

Hope to see you at the 2nd annual pig roast on November 2nd. Anyone needing a reservation should contact Jerry Selig or John Cashman.

Thank you

Liz Selig

ATTENTION
General Membership Meetings are held the second Friday of each month.

Message from the Rear Commodore Len Long, Sr

What a great year I had as your Fleet Captain and I look forward to serving you this upcoming year as your new Rear Commodore. I'd like to welcome aboard the new Fleet Captain, Lenny Long and I can't wait to put him through the same "initiation" as I went through. I would like to thank Liz Selig for all of her help and guidance as I transition into this new post. Congratulations to Terry on his upcoming administration. If his Commodore's Ball is any indication, then the Opening is sure to be one to remember.

As the cold weather starts creeping in, it reminds me that winter is just around the corner. With that being said, I would like to invite any willing participant to help out with our Winterization Work Party scheduled for Saturday, November 9th. The ice eaters will be installed, water will be turned off to all the piers, A/C units will be removed, and the pump-out will be winterized. If you are in need of hours, this will be a great opportunity for you. I hope to see a lot of members there.

At last month's general membership meeting, the membership voted to modify the Slip Agreement. As of the October meeting, all members are "grandfathered" into their current slip of record. Any current and future open slips will fall under a "fit rule". To bid an open slip, the width of your boat must be within four (4) foot of the total width of the slip. This modification in no way affects any current member who wishes to remain in their slip of record. This modification will only affect new members and members who wish to bid a different slip than that on file.

Finally, I'd like to close by saying "Thank you!" to P/C Karen Frey for such a successful year. It was a long road and a tough year. Especially, with the sale and transfer of the license, and all the building issues. I think through it all, she did an excellent job.

Message from the Fleet Captain Lenny Long, Jr

As boating season comes to an end, planning season for next year begins. Given the success of our St Patty's Day land booze cruise, we are going to shoot for the same weekend for this coming year. Pencil in March 15th for a day of visiting our sister clubs for food, drinks and lots of fun. I will share more details as we get everything set.

I'm also hoping to organize some other cruises and crawls for the upcoming year. I'm open to suggestions if there is anywhere you want to visit.

There are a couple upcoming events to keep in mind: winterization work party, Christmas party for the kids and the CCC ball in Ocean City.

Bar Report

Bar Committee: P/C Jerry Selig & P/C John Cashman

We have been having some issues with members not paying for their drinks because they say, "*I do not know how to work the register*" OR "*the register doesn't work*". So there will be a folder next to register with sheets inside for you to log in if this problem happens. It is self-explanatory, your name, date of purchased, what did you purchase and your signature. Hopefully this will help you and the club with accounting for all our purchases.

As part of our State of Maryland responsibilities, we will now start collecting sales tax on food purchases which includes our Friday night dinners etc.

Bar is open, come down and have a drink!

Thank you.

As a reminder - NO smoking in the clubhouse, bathrooms or kitchen! We may be a private club but we still have to follow the law.

Membership Committee: Chairman, P/C Ken Zeisloft

Nothing to report

Facilities Committee: Steve Culhane

The upper main roof is being completed this week. The truss work on the lower roof is scheduled to start on Nov. 18th and should take no longer than 2 weeks according to the contractor, weather permitting. At that date when work starts we ask that all members please park in the upper lot. At this time the committee is working on demolition for the interior at which the building must be cleared of all furnishings. There is a major work party for this scheduled the 9th of Nov. please show up and help. Go**REDEYES**Go!

Club Notices

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST DOG PROTOCOL

No dogs or any animal allowed in the clubhouse during regular business hours, which typically is Friday, Saturday and Sunday (except for seeing eye dogs).

Dogs are allowed on the deck ONLY if they are supervised by an adult, on a leash and under control.

All dogs must be on a leash at all times, grounds and deck.

You must pick up after them! Do not leave their poop for someone else to step in. Bags will be available at the piers by our V/C Liz. Please instruct your friends/guest to do the same. By following these rules, all members will enjoy the club as well as our dogs!
