Message from the Commodore

Bob Carr

Let me begin by wishing everyone a safe and enjoyable upcoming holiday. Wish we could join you, however, I am out on the road again - the nature of the beast....

For those needing hours I ask that you contact Vice Commodore Karen Frey and/or Rear Commodore Terry Edgil - there is a list of tasks needing your attention....

Thank you to all of the officers and past officers for their great show of support at this year's opening events; Red Eye received several awards again this year for not only attendance but also for most boats. We continue to have a great team in place.

I hope that everyone safely weathered the unexpected storm we encountered a couple of nights ago.

Wishing all of you a fabulous month of July; one must live everyday to the fullest...

Message from the Vice Commodore

Karen Frey

"Is it hot enough for you?" I hear that nearly every day. There's no doubt that summer is in full swing!

Thanks so much to all the folks who helped with last weekend's power outage, and to those who stood ready to help. Thank you, Rick, for finding and installing a generator to keep the freezer and fridges running. Thanks to the many who responded to our requests to

keep refilling that generator as needed: Jerry W., John C., Wayne O., VC Tony, RC Terry, Dino, and both Brians. REYC members really come through in a crisis (I hope I didn't miss anyone)!

There are plenty of things to do for those of you who still need work hours before the year ends. I think we should spend our summer boating and work in the fall, though, so I will have no formal work parties again until later this year. Meanwhile, if you feel ambitious, see RC Terry for pier work or me for house-and-grounds jobs.

See you at Red Eye!

Message from the Rear Commodore Terry Edgell

Happy 4th to all! Now that our Opening has come and gone, we can get back to working on the piers, especially if you are looking for work hours. The pump-out seems to be working fine. We are still updating electrical services. There are numerous socket plates that need to be replaced. Note: If you have your electric turned on and off, please use the old numbers on the face of the dock until the numbers on the meters are changed. Looking forward to another great Raft-Out and fireworks.

Message from the Fleet Captain Tony Solesky

Club openings are officially over and I must say, I enjoyed the experience far more and in ways that I had never expected. I admit, I originally joined the Red Eye looking for a cheap slip and the last five great years aside that is primarily why I stay, but still, I am glad we are a Yacht Club instead of just a marina. I am glad because growing up all my Dad and Moms family where either Firefighters, Police or Military Veterans and they always used to beat in our heads and even our ass just how lucky we are to live in the country we do and to remember it was paid for in blood shed and a whole lot of folks aren't here to enjoy the fruits of their labors. They would tell us never miss an opportunity to show your humility and gratitude.

As Fleet Captain, I was able to focus on the ceremony and listen a little more deeply to the prayers we prayed and to our National Anthem and to realize we are not only showing our humility and gratitude but we are also developing through public speaking skills, young ladies who will grow up to be confident and productive Americans. It was also nice to look around the club and see the many different social clicks and factions unite for one day and make our opening a success.

I won't be going in a vertical direction up through the bridge. I have too many administrative short comings to be a very good

Reminder
Clubhouse is open to members during private parties.
How do I reserve the clubhouse for a private gathering?
Contact: **Judy Zipkin** to reserve your date.
Non Member Fee:
\$250.00
includes club rental and bartender. \$75.00 clean up fee will be imposed if club is not clean after your event.
Members: No fee for club usage. Bartender must be reserved and \$75.00 fee will be imposed if club is not clean after your event.

Commodore just yet. What I hope to do is instead go horizontally, to a position that if approved by the board will be that of Port Captain. This would make me a combination ombudsmen and Public relations Ambassador/ Officer. In this position I can appoint one Liaison officer from each pier to represent each of the A - B - and C Pier factions and social clicks. I am hoping to appoint for A pier , Andy Crowl. For B Pier, Rick Rickerds and C Pier, Rob Knickman. These three will come under the direction of my Minister of Propaganda Kevin Minton. Kevin has served with the Air Force in Iraq and he will sort of be our own Baghdad Bob. Kevin will ultimately report to me and by this means we will be not only able to stop rumors that are counter productive to our membership goals and overall well being but further and I think even more importantly, we will also be able to start a few rumors of our own. I look forward to seeing all of you next weekend at The Red Eye Yacht Clubs free drink night "Get The Summer Started" beer bash celebration.

Special Thanks to Brian and Theresa Reed for hosting the Middle River Fireworks raft out this year.

Message from the Treasurer P/C Jill Cashman

This time of year our bank balance starts dwindling downward. We have some events coming up this summer which will help along with rental of hall that Judy has been doing a great job with. Let us again, all support. Two big bills come this time of year, taxes! This years tax bill is

approximately \$9,300. Our insurance bill will be coming in September and it has been ranging around \$8,500 +/- . Our CD's and MM accounts are still in tact and total approximately \$92,000. I guess not bad for the "biggest little yacht club on the bay"? See you around the club. Thank you.

Board of Governors Chairman P/C John Cashman

Board of Govenors meet every 4th Thursday of each month. All members are welcome to attend this meeting. If you have a topic you wish to discuss with the board, notify the Board of Govenors Chairperson 7 days prior to the meeting so that your topic may be added to the agenda.

We had a offer of \$130,000.00 for our class "D" Liquor License. The majority of the Board voted it down, so license is still for sale. The Board also asked me to check with Baltimore Country Liquor Board on interpretation of the "under 21" in building for private events? I will be stopping down this week and discuss this ruling and clarify others while I am there.

The Board stated again that we are not to rent our facilities on holiday weekends or holidays. All rentals will be a "cash bar" - no open bar per head. Reinforcing again - soda and non-alcohol drinks **MUST** be purchased from bar and cannot be brought in off the street.

Chesapeake Commodores Club Report

It is time to start bugging you again about CCC ball in Ocean City scheduled for Jan 11, 12, and 13, 2013. The theme this year is "Old Movies" and cost is \$432.00 a couple. This includes 2 nights at Princess Royale Hotel, Friday night dinner, Saturday and Sunday breakfast, Saturday night's ball. There will be music Friday and Saturday night, approximately 20 hospitality rooms to serve you tons of food, drinks etc. You can make three (3) payments of \$144 - This weekend is a BIG BANG for your BUCK! Contact John Cashman for more information.

Bar Report

[Bar Committee -P/C Jerry Selig, P/C John Cashman](#)

It appears as if we are still having some issues with members self serving at the bar when we have paid help on duty. Last month the board made the decision to prohibit members from doing this and it was communicated through the newsletter. As bar co-chair, I will make sure that this topic is once again brought up at the next Board meeting for clarification. I personally believe there should be no exceptions even if a member believes he make a better drink than the paid help.
