New Members

Message from the Commodore Bob Carr

A special meeting has been scheduled for Sunday, September 30th beginning at 3:30pm at the clubhouse.

The purpose of this meeting is to present the building committee's report for the construction of a new building as well as Mark Wilson's report on a remodel. Since attendance is highly encouraged, we set this meeting apart from our regular meetings so all the attention can be given to this topic. Once the presentations are over, questions/answers are completed, this will be put to a vote by secret ballot that day. We will do our best to get this completed in a timely manner so everyone can enjoy the balance of their evening.

Message from the Vice Commodore Karen Frey

Summer is coming to a close - I'm already back in school! Some of the best boating weather is yet to come, though, so let's enjoy it.

Thank you to all who helped make both Queen Lily's fundraiser and the King of the Chesapeake weekend so incredibly successful. Boaters certainly know how to have a good time! I will be looking for members to step up and create some excitement for the club over the next year. You can earn work hours for coordinating a Halloween party or another event. Wii bowling was very successful a year or two ago, and I hear that beer pong worked well at another club. Put on your thinking caps, come up with something to do and a menu to go with it, find a date, and put something together to draw members and others to the club.

Looking forward, we have elections of officers and board members at the September 14 meeting. You must be present to vote, so be sure to come and elect to the board those you think will best represent you. We also have the Crab Feast on September 29 and the Commodore's Ball on October 13. See you there!

Welcome!

I want to thank the members who supported me during my 3-years as Treasurer for the Red Eye. I will be working with Shirley Davie in September as the duties will be taken over by her at the change of watch. I want to thank Shirley for stepping up. With that said, the bills are paid, waiting for the insurance bill, which

typically is around \$9,000ish.

The 2011 audit was performed on Wed 8/22. A final report will be given by Lloyd Tinker.

Changing gears right now to the Commodores Ball on October 13, 2012. Remember you have to pay your obligation by 9/1. A lot of members have already done so. IMPORTANT - here is what I need to know. You paid for your one (1) ticket, are you coming and/or giving your ticket to another member. I need to know this in order to get correct count. Don't assume someone else will tell me. If it is your ticket, let me know who you gave it to and make sure their check is in.

That's it for now, see you at General Meeting if not sooner. Thank you.

Board Meeting Report

We have received a contract for the liquor license for \$133,000 gross. We are in the process of signing it and returning to lawyer.

If any questions or concerns, contact John Cashman.

A reminder - when getting your boats worked on, you must have that company deliver a certificate of insurance, naming Red Eye Yacht Club as additional insured. This insurance not only protects the club but your boat(s) as well.

Remember at the general meeting in September, we will be electing (4) new board members. We encourage everyone to take this opportunity to vote. These (4) members voted in make very important decisions with the other standing board members for this club which affects all of us.

2012 Commodore's Ball

The Commodore's Ball will be held on October 13, 2012 at Pappas Restraurant.
