Message from the Commodore

Bob Carr

As you all know boating season upon us now; hoping everyone is able to get their boats ready and are able to get back out on the water once again. For those who are still in need of work hours, please contact Vice Commodore Karen Frey. There are still some jobs that need to be accomplished. Also, Rear Commodore Terry Edgell has some some jobs related to the piers that needs to be completed.

Reminder: work hour slips need to be signed by the individual who assigns you a job; they must be turned in within two weeks.

We have a land cruise scheduled for for mid April - need to contact Ken Zeisloft and Tony Solesky for additional details. For those of you who have never participated in one of these ventures, they are always lots of fun - everyone seems to enjoy themselves.

Update on First Lady Niculina: Good news, cancer has gotten smaller. Nicky will now be admitted to Sinai Hospital on Monday, April 9th for one week of intensive chemotherapy, followed by a two week stay at home and then back to Sinai for another week - a total of six sessions. We thank everyone for their prayers and cards - very much appreciated.

Hope to see you all around the club

Message from the Vice Commodore

Karen Frey

Another month has passed - how quickly time flies! More and more boats have arrived at REYC, and soon boating season will begin in earnest. It's time to get our club ready to shine.

Many thanks to the volunteers and hosts who have shown our sister yacht clubs such a good time on their land cruises during the past few weeks. Don't forget that we will host two more (Crescent and Bush River) this Saturday, March 31, and one

(Sue Haven's bunny cruise) on April 7. After that, look forward to our own land cruise on April 14!

Thank you to everyone who showed up to work on the weekends, rain or shine. Work parties will continue every Saturday morning at 9 a.m., probably until Opening Weekend. We have accomplished a great deal, yet there is plenty more to do.

On the subject of Opening Weekend, our sign-up sheets are filling up, but we still need help in certain key areas. I'll be asking for victims - I mean volunteers - to do those jobs, so don't run and hide when you see me around!

Message from the Rear Commodore Terry Edgell

Spring is here, we have had work parties outside the last couple of Saturdays. The Piers and the pumpout have been dewinterized. The new pier alignments are done, thanks to efforts of Jerry S. & John T. in getting this done in a timely way. A pier redecking also have been started by the Sat. morning crew but there is alot that still needs to be done. You do not have to work on the piers just on Sat. morning call me at 443-834-2052 if you want to work thru out the week. Hope every one has a fun and safe boating season this year. I plan to.

Message from the Fleet Captain Tony Solesky

Fleet Captains Log star date 3-27-2012

I have just arrived at the Sue Creek sector of the Chesapeake Bay. I was greeted by a band of inhabitants that call themselves boaters. They have made me the leader of their boats, called a fleet. I am now their Fleet Captain at the club they call the Red Eye. It is a cult type society where they gather on weekends and worship boats in ceremonies that largely involve ritualized drinking. They are ready to celebrate another more significant holiday that they call Easter. This is a holiday where a man they call Christ who is a trinity of his own father, son and a holy spirit is crucified. They believe that anyone who declares this trinity must be crucified and that if he can reappear a couple of days later to say I told you so, that even if your a non believer you have to at least admit it is an impressive way to make a point. Happy Easter everyone its made a believer out of me.

I have a trinity of my own that has served me well as their

Fleet Captain- that is to either lead, follow or get out of the way. If you want play host to the land cruises of other clubs who bring their mobile ritualized drinking ceremonies to your location, then the trick is to rely on Ernie, Judy, Penny and Cathy along with a host of other behind the scenes volunteers and GET OUT OF THEIR WAY especially in the Kitchen. If you want to Star Trek out on your own ritualized drinking ceremony and visit other clubs, then you have got to follow Ken Z's lead. In either case they have made our events the total success they are and I can't thank them enough.

My only fear now is that they may mistake me with someone they want to crucify. On several occasions I have heard them refer to me in a way that does not bring me comfort. After not seeing Frankie D all winter he said to me "Christ it's good to see you." Then when I walked in the bar just the other day I received a similar greeting lead by bartender Jim Pumphrey. When they saw me the whole bar said in unison "Oh Christ its you". Damn it Jim I am just a Fleet Captain!!!!

Secretary to the Fleet Captain

Ken Zeisloft

By popular demand, REYC will have a land cruise this year. It will be on Saturday April 14th. We will meet at the Club around noon and leave sharply at 1230 hours. Assuming all clubs can host us, we will visit six clubs and finish up around 1900 hours. The cost will be \$30.00 per person and will cover the bus and two drinks per stop for as long as the money holds out.

The cutoff for members will be Sunday April 7th. On that day, we will open it up to other clubs. I already have 7 members of other clubs on a waiting list, so if you want to go, let me know asap. This thing is always a lot of fun so hopefully we will fill the bus with members, especially our new members who may not be so familiar with our sister clubs. And remember, you can bring friends as long as they are old enough to drink and can hold their liquor (reasonably well).

Message from the Treasurer

P/C Jill Cashman

Money in and money out - The bull roast, chaired by Mark, was another success. Watsic's have the Spring Fling coming up, which again, has always been profitable. Events like this keep our balance healthy. We will have bills coming up for the pier renovations/improvements as well as some

equipment that failed. So everyone, step up, support so we can keep the club moving in the right direction.

If you have receipts, remember to put them in my mailbox right above

To any member(s) who may be dealing with an illness or a family's illness, we send our sincere REYC best wishes.

If anyone has news of major illness of a member, death of a members immediate family or a well known person around the bay, please let me know.

Don Heiser will be having a knee replacement on 03/27. Don will be using a walker for 2-3 weeks. Erni will be nursing him at home, so he will most likely be gaining weight, considering Erni's culinary

the work ticket box. If you are owed money, you will find your check in the drawer below the cash register behind bar. And again, reimbursement forms are in a folder hanging on wall next to my box, please use these when asking for reimbursement.

The sale of our liquor license is in the hands of David Mister, our attorney. We don't look for any movement until after May but as soon as we have some numbers, we will call special board meeting and all members will be invited.

Our insurance company wants to have our building inspected. The board is looking into other insurance companies at present time. More to discuss at April's meeting and hope to have wrapped up in May.

Rob Knickman will be stocking the bar before start of Friday night activities. He will also do inventory report at end of each month and report same.

Remember, all members are welcome to the Board Meetings which are held the 4th Thursday.
