Message from the Commodore Bob Carr

Commodore Bob Carr (via P/C Jill Cashman)

If you don't already know, Bob spent the past few days, to include Christmas Eve and Christmas Day, in the hospital watching over Nicky. Nicky is dealing with a serious condition that the doctors have yet to figure out how to approach. Bob will fill you in as the days go by but please keep Nicky and Bob in your prayers.

Both Bob and Nicky hopes everyone had a Merry Christmas and will have a Safe and Happy New Year. As we approach 2012, we look forward to a successful year at the Red Eye Yacht Club and encourage all the members to participate and just keep making the club better and better. January begins the work parties, stay in touch with V/C Karen who handles the house and grounds. She will need your help to accomplish that "to do" list. We know R/C Terry will be working toward getting the piers in shape as the weather turns. And let us not forget about our F/C Tony, who is being very creative in our upcoming cruises. Each one of these officers work hard for your club so let us support them in the upcoming year.

Bob will see you at the general meeting January 6th, remember, it is one week earlier due to the Chesapeake Commodore Club's Ball in Ocean City. Take care.

Update 12/28/11

Nicky is still in ICU, adjusting her oxygen and hopefully be out of ICU in couple days. They are still going to do chemo and radiation, not sure when that will start. They still don't know for sure if the "tumor" or "fluid sac" is cancer. Not sure exactly what to call it. This disease does have a name, Bob couldn't remember it, but it is very rare. She is only breathing with one lung. One of them shutdown. Keep Nicky and Bob in your prayers. Bob will stay in touch with me as her condition changes.

Message from the Vice Commodore Karen Frey

Happy New Year, Everyone! I hope you had a Merry Christmas, and I hope your expectations for 2012 are nothing but rosy. Mark your calendars for the first work party of the new year on Saturday, January 21; we will start promptly at 9 a.m. Let's do some work hours early and fix up our clubhouse so that we can boat all summer long. Remember that we are not planning any major improvements this year, but the list of repairs and maintenance is a long one that somehow keeps growing.

On another note, I am looking for some items (for CCC skit costumes) you might have around the house and can donate to the REYC cause. The list is: cardboard egg cartons, nylons that are no longer any good, and yellow kitchen dishwashing gloves - only things you were planning to throw away. If you run across any of those, please bring them to the January 6 members meeting.

The invoices for dues are out, either hand delivered or mailed. Please make sure you sign the agreement, pay your bill in full, and attached your insurance declaration page or proof of insurance. I must have all three in order to process. If you think your bill is incorrect, contact the one of the

officers. John Cashman prepares the billing from information given to him from the work tickets and officers.

"Any member wishing to add a mud slip, jet ski, dinghy rack etc. option to your 2012 dues billing, please mark up your bill accordingly and add the extra amount to your check. Any options must be paid by the deadline of January 31, 2012. Thank you.

Hope all of you have a great holiday and see you after the New Year - be safe.

Board of Governors Chairman P/C John Cashman

Board of Govenors meet every 4th Thursday of each month. All members are welcome to attend this meeting. If you have a topic you wish to discuss with the board, notify the Board of Govenors Chairperson 7 days prior to the meeting so that your topic may be added to the adgenda.

Wishing everyone a Merry Christmas and a safe and Happy New Year.

A separate email was sent out earlier regarding the use of credit cards for payment of your dues. If you plan on taking advantage of this option, keep in mind that a 5% service charge will be added. For 2012 the Board will be exploring seriously the following:

1. With pending legislation in Annapolis creating new rules that may make our liquor license worthless as of 2018 we are beginning discussions on changing from a Class D to a Class C. More to come at upcoming meetings. Stay tune.

2. When discussing liquor license laws with the attorney, he highly suggest that we create a holding company to split the real estate from the club business. A couple of our sister clubs have this in place and we will be communicating with our accountant as well. Again, more to follow....

PC Steve Rockel and RC Terry Edgell have been working diligently at renumbering the piers to better reflect our current configuration and hopefully end some of the confusion with BGE. This will require renumbering of the two slip diagrams in the back hallway and in the meeting room. I am looking for someone who would like to take care of that for hours. See me or Terry.

This is also the time when we fill our depleted ranks. At this writing, I have one prospective new member for this year. If you know someone, hook me up. They will have to be introduced in January and voted in February to participate in slip assignment day.
