Message from the Commodore

Jerry Selig

The Yacht Club openings have come to a close so my summer has officially begun. Since the majority of my obligations as Commodore (attending Balls and Openings) are complete, I would once again like to thank the Membership for the opportunity to serve the Club as your Commodore. It has been an amazing year. Liz and I have met so

many new friends. Our former Princess, Courtney Reed, is now "Queen of the Chesapeake". I am so proud of her and I will treasure that experience and memory forever. The Officers and I captured several awards for most Officers in line and most boats at various opening day ceremonies. We also have a new Princess, Taylor Reed, ready to step in and fill her big sisters shoes. I am truly blessed to have had such a wonderful year.

Over the next couple of months we have various Club functions/activities to look forward to. First up is a steak dinner on 7/8/11 which is meeting night. I have agreed to do a steak dinner for the Dundalk Power Squadron folks coming to Red Eye that weekend. Any member wishing to participate in the dinner should e-mail me at jerry4155@aol.com as soon as possible to get on the dinner list. Next up is the Cardboard Boat Regatta on 7/23/11. The flyer is out there, so check it out and come on down for the fun and festivities. This year we will have a dunking booth and a moon bounce for the kids. We also need some help for this event. Signup sheets are hanging in the back hallway. On 8/5/11, I would like to get a group of REYC members to journey over to Key Yacht Club for their AYCE Crab Night. Key YC is a major participant in every steak night that we have at REYC and I would like to return the favor. Anyone interested in coming along please let me know by meeting night. On 8/6/11 we will be having another Steak dinner/Karaoke night at the Club. For a small donation, patrons will have the opportunity to sing a duet with the Queen of the Chesapeake. Proceeds will help fund the Queen/Princess trip to the Delaware River Yachtsmen's League Queens Pageant on 8/13/11. Please come out and support these young ladies. An event flyer will be out shortly.

I am quite sure that many of you are already aware that there have been several incidents of thievery at the club. It saddens me to know that one of our own is taking advantage of the honor system that we have in place at Red Eye. While additional controls are being put in place to deter future incidents, I would like to advise the membership that anyone giving a chit/entry card to a **non member** to enter the Clubhouse will have their Clubhouse entry privileges revoked and be subject to a disciplinary review. No "guest" should ever enter the Club during non business hours unless accompanied by a member.

HAVE A GREAT SUMMER, BE SAFE IN ALL YOU DO.

**Message from the Vice Commodore
Bob Carr**

I hope everyone had a good month. I would like to thank Judy for all of the work she and her assistants did this past weekend for the taxi cruise and the 70th surprise birthday party for Jerry Weitzel. If any of you are still in need of work hours, please contact me - we have some outstanding items that need to be accomplished. If you happen to see anything that needs to be taken care of I ask that you drop me an e-mail. Would like you to know there is now bar food available for your purchase. We have found the time to package them accordingly. A reminder, not to select any foods for purchase that have not been individually wrapped. Remember, to please clean up once you have prepared and consumed your meal. We are always open to suggestions for additional food items; please submit any ideas you may have. Now that the "Openings" are behind us; I would like to say thank you to all of you who attended - we had a strong show of support at each and everyone of the openings. On another note, should anyone see any of our trash cans close to getting full - please take the initiative to empty them. Let's all pull together to keep Red Eye a clean environment for everyone to enjoy... We now have trash cans on the deck for cans only. Please do not put any other items in those cans. This initiative was put into place by both Queen Courtney and Princess Taylor - a step in keeping the bay clean. Your cooperation is greatly appreciated. On the bar is container for the tabs off of the top of your cans. These are being collected to help people in need; another initiative by both the Queen and Princess... Let's all enjoy July - hope to see as many as possible - weather permitting - at this weekend's raft out.

**Message from the Rear Commodore
Karen Frey**

It's hard to believe it's already the end of June. The openings are over and all those white uniforms are packed away. This weekend is our relaxing and fun cruise and raft-out on Sue Creek; we'll see you there. I plan to take my kayak, so if you see someone in a pink kayak going back and forth in a crazy zig-zag pattern, you will know who it is. Does anyone know how to make those things go

straight?!

A big thank you to Andy Crowl and his crew, who slyly finished the bulkhead repairs when I was not around and didn't even mention that the job was done. We noticed - great job!

Message from the Fleet Captain

Irene Witmer

Just a quick reminder that Friday, July 1st is the club "cruise" to Sue Creek. Please bring food and drink for your boat and a snack or two to share with all the other hearty rafters. You are welcome to come and go throughout the weekend. Bring your floaties, your swimsuits, your camera and your happy mood. It should be a good time.

Next month's cruise is August 12, 13, 14 to Rock Hall for the Pirate's Fest. If you have signed up you have a reservation. If you have not signed up, good luck getting a slip. There isn't a slip in town to be had. We are planning to have a cocktail party either Friday or Saturday evening. Pirate attire is optional, but fun to wear. See you there.

Labor Day's cruise is to Havre De Grace. More details next month. Til next month, have a great summer of boating and fun in the sun and please be careful.

Message from the Treasurer

P/C Jill Cashman

Kinda quiet this time of year. Bills are paid and right now averaging around \$45,000 in the checkbook. However, we have taxes to pay shortly and insurance bill coming up in September which really takes a bite out of our balance. Please belly up to the bar and spend some money, this helps our bottom line and helps out Kara and Kristal. Events are upcoming so hopefully you can participate in those. For members who have receipts for reimbursement, I try to turn around your check within the week if not sooner. Your check will be in the drawer under the register when done. If bartenders are on duty, ask them to get it for you.

Also, BGE bills/notices are still coming into club from some members. I place them on the shelf under the bulletin board. Look for them.

Thank you.

Board of Governors

Chairman-Ken Zeisloft

It is my sad task to report that Red Eye Yacht Club has a thief in its midst. Over the last several weeks various amounts of cash have been stolen from our cash register and from the change box. In addition, it has been documented that substantial amounts of food items have been removed without payment. The total loss to the Club has become unacceptable.

During the next few days there will be new security measures and checks and balances put in place by the bar chairmen and officers. These procedures will be an inconvenience for all of us

Bar Report

Bar Committee - P/C John Cashman, Commo. Jerry Selig and Rob Knickman:

On Friday, July 1st, we will be increasing all of our liquor pricing by \$.25. This is due to the increase in sales tax from 6% to 9% and the increased cost for using credit cards. We have divided the bar duties into three separate responsibilities. This is how the duties will be handled:

- John Cashman - Administrative = z-out, deposits, check pricing of products, sales tax, chits, cards etc.
- Jerry Selig - Purchasing = ordering liquor/beer/sodas, supplies, snacks and bar food etc.
- Rob Knickman - Inventory control and scheduling of bartenders and member volunteers as needed.

If you have any concerns, please contact the appropriate person.

Important:

Recently we discovered money has been stolen from the bar. After much discussion at the board, we will be instituting new procedures/policies that everyone must adhere to include but not limited to the following:

- Again, **NO one** behind the bar when the bartenders are on duty.
- We have established new cash out and cash in procedures with bartenders.
- Everyone will have to swipe their card to get access to the cash register

Introducing
Taylor Reed

Taylor is going to be in 8th grade at Southern Middle School in her hometown of Pennsylvania. She is 13 years old and enjoys playing lacrosse, basketball. She also plays the clarinet and tenor saxophone in her school band. Taylor became the junior princess after her sister, Courtney, won the Queen of the Chesapeake Title. She has been around the club and has made some great new friends with the current princesses and many of the REYC members as well as getting to know other Bridge and Club members around the Yacht Club Community. She is looking forward to spending her summer boating with everyone and getting ready to represent the REYC in the fall.
