I hope this newsletter finds everyone in good health and spirit. Now that the boating season is coming to a close, and the holidays are just around the corner, we have found it necessary to make a few date changes for the upcoming board meetings: November - 17th & Dec 15th.

General Membership meetings will remain the second Friday of each month. The December General Meeting will also include a Christmas Dinner - we are asking everyone to bring a covered dish - perhaps one of your holiday favorites...

A reminder to people who submit work hour slips - they must be signed and

It has been brought to my attention that the kitchen has not been cleaned up following the preparation of some meals. We must remember that we are fortunate to have a club house that offers the amenity of a full kitchen, so we all need to work together to keep it clean. On Wednesday and Thursday of each week, both Rick and Deborah clean the club house - please be courteous while they are cleaning to not walk on the floors before they are dry - it would be sincerely appreciated. If anyone sees anything that needs to be done around the club house and its property, please bring it to our attention.

We have some news surrounding a fund raiser for the Queen Courtney - both Nicky Restauro from REYC and Bob Parsons from the CBYCA are planning a cook off contest brunch following the 3-C's weekend in Ocean City - we will need judges to choose the best Chipped Beef on the Bay. Bob and Nicky are going head to head to see who makes the best.....The cost will be \$7 a person - date to be determined - it will be on Sunday at 1pm....bring your appetites.....there will, of course, be lots of other delectable delights for your enjoyment.... We are looking for additional fundraiser ideas, please come forth - we want to make this a fantastic year for our Queen - Courtney Reed.

I hope those of you that are able to attend the Halloween party have a fantastic evening. I understand there are some games planned and may the best costume win!!!!

Hope everyone has a great month ahead of them.....

Message from the Vice Commodore

Greetings from your new Vice Commodore! I hope everyone who attended enjoyed the Ball and is looking forward to many great times around the Club and around the bay. As VC, I am responsible for the club house and grounds. If you have any suggestions for minor improvements or notice repairs that need to be done, please be sure to tell me. Once again, I would prefer to hear from ten different people that something that needs to be done rather than not hear about it at all.

Rear Commodore Terry has announced November 5 as the annual winterization date to turn off the water, winterize the pump-out and install ice eaters. Work done on this date is extremely important to get our club ready for winter. If you can spare some time, whether you need hours or not, I hope you will come down and lend us a hand. I have developed a list of house and ground projects to go along with the pier work. We will do what we can this Saturday, and save the rest for the work parties that will take place on Saturdays beginning in mid-to-late January. Watch the newsletters for those dates; work parties typically will begin at 9 a.m.

Remember that the by-laws specify that you need to finish your work hours for this year by December 15. Work done on or after December 16 counts toward your work hours for the year 2012.

Message from the Rear Commodore**Terry Edgell**

I am looking forward to the coming year as Rear Commodore of REYC. This November 5th we will have a work party to winterize the piers. So, anybody that still need work hours, come see me for jobs to do. I want to wish Bob Car a great year as Commodore of REYC and thank Jerry and Liz for the great last year they served as Commodore and First Lady.

Message from the Fleet Captain**Tony Solesky**

Hello Fellow Red Eye Crew Members,

In a final act of desperation and an attempt to do a good turn for this club, Commodore Bob has asked me to fill the position of Fleet Captain. This decision will surely lead to the club turning on him. Apparently, the word around the bay is that I am the first "D" list-er to ever hold this position. After a little asking around I found any number of reasons why club cruising participation is down. The one constant, people seem to have lost their desire to go to the same old destinations. I have dreamed up the perfect solution to bring that desire back. A cruise to Italy, who doesn't want to do a cruise to Italy? I don't expect participation to be high but we will at least have taken a good bearing on the desire issue and that is a bow pointed in the right direction.

**Message from the Treasurer****P/C Jill Cashman**

End of the year is catching up with us... bank account typically gets low at this time and it is but with the events, dinners etc. we are still have a healthy balance to get us through the end of the year. Let's watch our spending please. Money Market and CD's are still the same, we didn't have to move anything around this year, that is good.

I calculated the income and expenses for the commodore's ball and with the cost of Martin's Catering, the band, the extras that we do every year, we actually broke even. Let me correct this, we lost \$9.00. Can't complain about that with the great food, music and drinks. I also want to mention that P/C Jerry Selig listed the names of previous winners of the "Member of the Year" award, a list that I gave him, and I forgot to list Karen Frey for the year of 2003 so I am correcting my error and "sorry about that Karen".

Don't have all the numbers for Halloween Party yet. We did have cancellations due to the weather (can you believe that, canceled for snow on 10/29).. I will have that report at the general meeting. Thanks to everyone who participated, great costumes. Next year I would love to have a Halloween party just for the kids, maybe in the afternoon, with prizes, games etc. Think about it....

I am in the process of setting up the finance committee to put together the

We want to thank Judy Zipkin and Ernie Heiser for getting their kitchen manager certification on Dec. 12, 2011. With Judy as kitchen chair and Ernie as her right hand, makes sense that these two have their certification for future inspections by the health department. Thank you. Board is reviewing inventory on a monthly basis and will be formulating the system as we go. John Alban is looking into juke box for the club and will have an answer for us at the next board meeting this month.

Reminder to the Board: Meeting date changed due to holidays: November 17th (not 24th due to Thanksgiving) and December 15th (not 29th)

Keep in mind, all members are welcome to attend our meetings. Any questions, let us know. Thank you.

Bar Report

Bar Committee -P/C Jerry Selig, P/C John Cashman and Rob Knickman:

We are fast coming to that time of year when your support at the bar is extremely important. The influx of random boaters coming by the Club is diminishing and Club sponsored events for the year are now over. This will have a dramatic influence on our bottom line, especially with the high cost of energy used to heat the Clubhouse and protect the piers from old man winter. I greatly appreciate the group of members that have been coming to the Club on Sundays to support the Ravens and our bar and I hope that your support will continue. I would also encourage other members to show their support by sponsoring a Friday or Saturday event. These mini events go a long way to help support the bar during the off season. If you have an idea for a gathering, please contact the Commodore and the Entertainment Officer. I would also like to thank the members that came out to support

Hello people of Red Eye Yacht Club! I apologize that I did not have an article for last month, but school has just been so busy. I have already had a lot of fun at all the balls so far, and I thank you for supporting me at our ball three weeks ago! I hope you all had a wonderful time and I am so glad a lot of you came! Welcome to the new commodore Bob Carr and first lady Nikki. Congratulations to P/C Jerry Selig for making through this year in one piece! It is going to be disappointing not seeing your melon head as often! Haha. Along with that, the Red Eye Halloween Party is this weekend! I am planning to have a lot of fun with all of you guys

and I cannot wait to see you all!
