## Jerry Selig

It has been both an honor and a pleasure to have served the Red Eye Yacht Club as Commodore for the past year. I would very much like to thank the Officers, Members, and committees for the support they have given me during my term. Many thanks to Queen Courtney and Princess Taylor for accompanying me to the Balls and Openings. I truly appreciate the time you contribute and the dedication you have for the Club. I wish you both well in all you do. Now

## REYC EVENTS

Reminder  
Clubhouse is open to

and Bar Co-Chairperson. I also have plans to be an active member in the Chesapeake Commodores Club.

I would like to thank P/C Ken Zeisloft and his support staff for another job well done on this year's annual crab feast. The crabs were big and very good, as was the "filler" food. The bar had an excellent day as well. On October 29th, Big Dog Brian Bunting will be performing in his usual rare form at this year's REYC Halloween Party and Mini Bull and Oyster Roast. So come on down and see what tricks the Dog has in store for the evening. Tickets will be limited, so get yours early. See the newsletter flyer for details.

Red Eye Yacht Club has always been "The Best Little Yacht Club" on the bay thanks to its membership. Please continue to participate and support your Club.

That's All Folks !!!!

## Message from the Vice Commodore Bob Carr

As the incoming Commodore, I would like to extend a special thank you to everyone for their support over the last three years.

With the ball fast approaching, Saturday - October 8th from 7pm-12 midnight at Martins East - I wanted to give you the heads ups on a fantastic band we were able to book for this year's entertainment "Bobby & the Believers" - a well known group who has performed in both the Washington DC/Baltimore area for over 20 years. This eleven piece band features two lead vocalists, five flashy horn players and four rhythm and back up musicians. Get ready to party and dance the night away - following the ball everyone is invited back to REYC for additional delights and your beverage of choice.

We have ventured off the main stream with our main menu items - this year we are offering double shish k bobs - filet mignon and a shrimp/scallop k bob - for those of you who may have an allergy to seafood let us know ahead of time - we do have the option of offering two filet mignon shish k bobs.

On another note, I have found we are still having problems with work slips - the ByLaws state that all work slips must be turned in within 14 days of the work being performed. These slips must be signed by the officer who authorized the work.

ENTERTAINMENT - All are encouraged to mark your calendars, for the Halloween/Bull Roast & Seafood Party John and Jill Cashman have lined up for October 29th....`

Tickets are \$30pp for adults and \$10 for children 14 and under..Food will be served from 6-9pm, Music 9pm-12midnight Draft Beer and House Wine and Soda served during dinner; cash bar after 9pm

Both Nicky and I thank all of you for helping us get this year's Ball together - especially Jerry Selig, Karen Frey, Jill Cashman, Rob Cavey and Gerry Wetzels/Donna Mixer - THE KITCHEN WIZARD Judy Zipkin and the creator of some fantastic desserts - Ernie Heiser - just to name a few.....

Once again, I thank you for being an active member of REYC - remember we need to continue to work together which adds to the success of our organization...

Bob Carr  
Vice Commodore

Another boating season is drawing to a close - amazing! As out-going Rear Commodore, I would like to thank the many members who stepped up to help maintain the piers this year. We accomplished a lot, and I will make sure that incoming Rear Commodore Terry Edgell has a list of anything that remains to be done.

Next week I will take on the role of Vice Commodore, and assume responsibility for the house and grounds. That may be quite a challenge, as we have a New Building Committee and do not know what direction the club will take in the immediate future. Regardless of that decision, the house and grounds must be maintained on an on-going basis. I plan not to take on any major projects until the building decision is made; however, as always, I will call upon members for their help and expertise in solving the maintenance issues that arise.

Once again, thanks for all your support in the past, and let's make the next year a great one!

**Message from the Fleet Captain**

**Irene Witmer**

Thanks to Justin Rockel for doing a good job docking Riverside YC when they came for the crab feast. This year, we had many more sister clubs cruising to our facility. They have all had a good time and have come from as far as Philadelphia, PA. This speaks well of our hospitality.

Our last cruise of the year is this weekend to Fell's Point Festival. We have several boats going and it should be a fun time. Thanks to all who cruised with me this year.

This is my last article as an officer and it is bittersweet. I enjoyed doing the newsletter for many years and had a great time with my tattle tale column. Fleet Captain was an interesting year as well. Thank you to ALL who helped me with the newsletter and with my duties as Fleet Captain. Being an officer is not a one person position. It takes the entire club to make a good officer. This club has stepped up to help and I appreciate it. Please continue to help the officers as they take their new positions. We are always willing to be armchair quarterbacks, but many are not willing to do the job. Before we criticize, we should step back and remember they are doing what we are not willing to or can't do. Constructive criticism and suggestions are usually welcome, so please be civil when quarterbacking.

Have a safe and warm winter.

## Bar Report

**Bar Committee - P/C John Cashman, Commo. Jerry Selig and Rob Knickman:**

As a reminder - you must swipe your card first in order to open the register. It doesn't matter if money is on card or not, this lets us know who is coming and going behind the bar and what is purchased. NO MEMBER to just leave notes at the register or bar saying what they took and expect us to take care of it. If you don't have your card, get a new one. If you don't understand how to swipe the card, see one of the committee listed above.
