Message from Commodore Terry Edgell

Wow! It's February already. The year is rolling out quickly and our re-modeling is moving along. Thanks again to Mike Delamar and his Facility Committee. These guys have worked very hard and oftentimes, on sub-zero days. We are slowly getting there! We are beginning to see the light at the end of the tunnel. Already in place are new beams and new windows! It's just a matter of time until we can return home.

Penny and I continue to proudly represent Red Eye almost every weekend at the various Yacht Club Balls. We are having a blast and have met some amazing folks. We stand in awe of their commitment to their Clubs and their graciousness to us. So many boaters around the Bay are anxiously looking forward to our 'Opening' in more ways than one. Everyone is so excited about our renovations.

Please mark your calendars for some of our upcoming events. Mark Wilson is putting the final touches on our Bull Roast slated for March 2nd at Key Yacht Club. 'Slip Day' is on the 9th at Sue Haven. Our monthly membership meeting will take place once again at Sue Haven on the 14th of February. The Atlantic City Bus Trip is on the 22nd of the month.

I look forward to seeing you soon. Stay warm and safe.

Sincerely,
Terry Edgell

Message from Vice Commodore Liz Selig

February is here and Punxsutawney Phil the ground hog said 6 more weeks of Winter! I hope he is wrong! I think we are all ready for boating season!

I am looking forward to seeing everyone on Sunday, February 9, 2013, Slip Assignment Day at Sue Haven Yacht Club. Renovations continue to move forward. The facilities committee is doing a fantastic job!

Next Saturday, February 8, 2014, John Cashman will need help moving the liquor out of the bar cabinetry and into the garage. February 15th, he will need help moving the bar refrigeration and storage out of the clubhouse. So if you are available either weekend please come down and help John.

Work parties will begin late March or early April there will be plenty of work to do and a short time to do it in. Post construction clean up will begin as soon as possible. I will send out an email with the work party schedule. We will need lots of help. There will be work parties every weekend until the work is completed. The kitchen and other areas in the building will need to be cleaned and organized. The furniture and alcohol will need to be moved back into the clubhouse. A detailed list will be posted in the back hallway with work that needs to be done.

If you are available only during the week and not on weekends you are welcome to work you hours during the week. Simply get with an Officer and let them know which item you will be working on.

Please make sure your name is on all work slips and an Officer has signed the slip. Place the original copy in the work slip box and retain a copy for your records. Please call me if you have any questions or concerns.

Thank you,
Liz Selig

Message from Rear Commodore Len Long, Sr

Reminder to all members, dues and fees were to be paid by January 31, 2014. If you did not pay your invoice in full, you are not a member in good standing and will lose your seniority for Slip Assignment Day.

Slip Assignment Day is scheduled for Sunday, February 9 and will take place at Sue Haven Yacht Club. Immediately following the Slip Assignments, we will have a Members' Appreciation Turkey Fry.

As we begin to thaw out, we will begin our repairs to "B" pier. We will need experienced members to help us with the daunting task of board and stringer removal and replacement. Once the weather cooperates, I will send out dates for the work parties to begin. We are hoping that while we are repairing "B" pier, the fireline for this pier will be completed as well.

ATTENTION
General Membership Meetings are held the second Friday of each month.

The next Meeting Date is:

at Sue Haven
Fri, February 14 @ 8pm
Dinner @ 6:30 pm

Work Hours

Reminder:

Message from Fleet Captain Lenny Long, Jr

Hope everyone is keeping warm and staying healthy!

The Atlantic City trip is fast approaching and sure to be a fun time for all.

Details for our Land "Booze" Cruise are coming shortly. It's going to be on March 15th. This is a group outing you don't want to miss. It's a good time visiting other clubs, eating, drinking, and of course, the secret word. Reserving your spot on the bus will be important to ensure we have room for everyone who wants to come. This is a sell-out every year!

Stay warm and be safe.
Lenny Long

Bar Report

Bar Committee: P/C Jerry Selig & P/C John Cashman

Bar Report - P/C John Cashman

The Board has reviewed the credit card costs and they have determined that the costs are too high. There will be a discussion at next month's general meeting.

We will be looking to hire bartenders for the upcoming season, which would be the end of April to mid-October. This would be for events, Friday nights, Saturday and Sundays. Liz is coming back BUT will only work one weekend a month. We are putting the word out but if you are interested, please contact me or Jerry Selig. If a member would be hired, you will be treated as an "employee" with payment through payroll, taxes etc. You cannot use any hours to offset your time.

If any questions, please contact us.

As a reminder - NO smoking in the clubhouse, bathrooms or kitchen! We may be a private club but we still have to follow the law.

Membership Committee: Chairman, P/C Ken Zeisloft

NO REPORT

Facilities Committee: Steve Culhane

We are moving forward! The existing roof over the dining room has been removed and the interior floor is exposed.

For safety reasons, we are asking all members to refrain from visiting the Club.
