Message from Commodore Lenny Long, Jr.

As summer draws to a close and the kids head back to school, we are being blessed with some beautiful weather. Some of the best boating weather is late summer/early fall. Let's enjoy it while it lasts!

It's also nomination and ball season for the clubs so there will be a changeover taking place across the bay. I know I am looking forward to our ball in October and hope you will be there to celebrate our new bridge officers.

Wow! I cannot believe we are moving into September already. This weather has been outstanding. I cannot remember the last time we consistently had 80° days with a heat index less than triple digits in August. I hope this isn't an indication of cooler weather coming early.

Just announced this past week is the MTABC is taking over the Middle River Fireworks once again for next year. The location has changed to closer to Frog Mortar Creek and will take place Saturday, June 30, 2018. They are still looking for sponsors and donations.

Our very own Annual Crabfeast is coming up Saturday, September 23rd. Please see PC Steve Rockel for your tickets. Remember, this does count as a Club Event when you buy a full-priced ticket.

The following day, Sunday September 24th, at Eastern Yacht Club is the Annual Family Picnic sponsored by the Yacht Clubs of the Bay. They are looking for volunteers, donations, and items for their Silent Auction. Please contact Kitty Sauer kittysauer@verizon.net , Janet Yodris jjodris8434@comcast.net , Gary Blankenship garblink@yahoo.com , Danny Carroll directc@verizon.net , and/or Bill Bory wbory@netzero.com.

Finally, don't forget about REYC's Commodore Ball on Saturday October 14th at Martin's East. Tickets are \$95. Please contact Stephanie Gaff familygaff@gmail.com (443) 682-1541 to RSVP.

Message from Rear Commodore Steph Gaff

We finally have an appraisal for the work that needs to be done on the piers. Once we have final approval from the Holding Company, my belief is we will start moving forward with work.

In the meantime, anything that still arises with the piers will need to be addressed. Please let me know if you see anything that needs immediate attention.

Message from Joan Anderson Chaplain

A PRAYER FOR TODAY

This is the beginning of a new day God has given me this day to use as I will. I can waste it - or use it for good. But what I do today is important, because I am exchanging a day of my life for it. When tomorrow comes, this day will be gone forever. Leaving in its place something that I have traded for it. I want it to be gain and not loss, good and not evil: success and not failure: in order that I shall not regret the price I have paid for it!

Author Unknown

THOUGHT FOR TODAY

Please take care of yourselves, pay attention to little signs that something may be wrong; that little cough that won't go away, that dizziness that crops up now and then, that nagging little ache or pain, don't just say Oh! its nothing or it will go away on its own. Have it checked out - you are important and you are needed - take care and God Bless You! And "Remember - Life is fragile, handle it with prayer!" AMEN!!!

Health & Welfare

Condolences to Paul and Anne Hart for the loss of her mother
Also to Mark and Lori Wilson for the loss of his mother.

Everyone appreciates when a member(s) steps up and offers to cook to help get their hours as well as feed the hungry members. However, when stepping up for this responsibility, the following procedures have to be followed:

- **Advertise it!** Corresponding Secretary Cheryl is your contact and does an excellent job letting members and other clubs know what we are doing at our club. Everyone is busy so the more we can encourage them to take part by giving them advanced notice, the more response you will have.
- Hosting member must coordinate with Erni for necessary supplies.
- Prepare and set up for the meal
- Clean up dining/kitchen and **take trash out!**

Now you don't have to do this all yourself. You can ask other members to help you. We know there are many members that still need hours so this is another way to help accomplish that. What we can't have is food just put out and left assuming someone else will clean it up.

Members can receive up to 10 hrs for helping to host a Friday night dinner.

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST

ALCOHOLIC BEVERAGES

In accordance with Baltimore County Liquor Board Rules and Regulations as it pertains to our Club Liquor License:

1) No Club purchased alcohol is allowed beyond the border of our bulkheads and property lines.

2) Non-club purchased alcohol is not allowed on Club grounds. It may be consumed on the piers and members' vessels.

Violations put the Club's Liquor License in danger and those who violate this rule will be brought to the Board for appropriate disciplinary action.

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST

DOG PROTOCOL

No dogs or any animal allowed in the clubhouse during regular business hours, which typically is **Friday, Saturday, and Sunday** (except for seeing eye dogs).

Dogs are allowed on the deck **ONLY** if they are supervised by an adult, on a leash and under control.

All dogs must be on a leash at all times, grounds and deck.

YOU MUST PICK UP AFTER THEM! Do not leave their poop for someone else to step in. Bags will be available at the piers. Please instruct your friends/guest to do the same

By following these rules, all members will enjoy the club as well as our dogs!

**TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST
PARKING**

RED EYE YACHT CLUB WILL BEGIN TO ISSUE PARKING VIOLATIONS ON OCTOBER 1, 2015. EACH VIOLATION WILL BE \$25 EACH PAYABLE WITHIN 30 DAYS. OUTSTANDING VIOLATIONS (NOT PAID) WILL CAUSE A MEMBER TO BECOME "A MEMBER NOT IN GOOD STANDING". A MEMBER MAY RECIEVE MULTIPLE VIOLATIONS BASED ON EACH OCCURRENCE.

It was discussed and voted on that there shall be no pick-up trucks or commercial vehicles parked on the lower lot Friday, Saturday, Sunday or Holidays. In addition, any member that shall be leaving dock, shall also park their vehicle on the upper lot. We ask that you respect other members and not block the loading/unloading zones as well as the handicap parking spaces. When parking on the upper field, we ask you pull to the edge of the grass where it meets asphalt and park as close as possible to the vehicle next to you in order to maximize the number of parking spaces for all to enjoy.

In addition, there is only one (1) vehicle allowed per parking space. Loading/Unloading zones will be clearly marked and will have a fifteen (15) minute time limit. Firelanes will be clearly marked and parking is absolutely prohibited. Designated parking spaces (i.e. handicap, Commodore, etc) is for those individuals only. Any member found in violation shall be issued a parking violation.

**TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST
DOCK BOXES**

It was discussed and voted on at July's Board of Governors Meeting that from here on out all dock boxes, and any other construction pertaining to piers, must be approved by the Rear Commodore prior to installation. The Rear Commodore has at his/her discretion the ability to determine if installation is functional, proper and aesthetically pleasing to the club. Any installations that occur without prior authorization are subject to removal at the member's expense.

Slip Rules and Regulations

All members are required to have electric turned on and in their name by **May 1st**.

Security

For the safety and security of Red Eye Yacht Club, it's members, guests; security cameras have been installed in and around the clubhouse. Please abide by the rules and regulations of REYC and advise any guests to do the same. Anyone caught doing something in direct contrast for the good of the Club will be brought to the board for proposed disciplinary action.

License Plates

The Red Eye Yacht Club is looking to obtain organizational license plates for its members. To accomplish this, the club will need at least 25 sets of tags requested before MVA will allow the tags to be made and issued. This does not mean 25 members, as a member wishing to register two or more vehicles with these organizational tags would add several times toward the total number needed. Several members have already expressed an interest in these tags.

The cost for the plates is a very reasonable \$25 per set of plates (one front, one rear). This is a ONE TIME FEE over and above your usual renewal costs-the \$25 simply covers the cost of making up the plates. Also, when you obtain these tags, your current registration will be pro-rated, so there is no need to wait until your current tags are up for renewal. Once you obtain the metal plates, you will need to return your current plates to MVA asap. The image of the plate shown is an approximation; MVA will advise the club how the actual tag will appear, but this is a fair representation.

Please note that this offer is for Maryland registered vehicles only. Full and social members are both eligible!

Contact Mark Vahlkamp at Lidarman@verizon.net to submit your name as interested acquiring the REYC tags. You will, be notified once the minimum number of requests is reached and the tags are requested by the club to MVA.

Suggestions!

Some members have expressed an interest in having more social events at the clubhouse.

If you have any ideas on what events you'd like to see take place at the club, please contact Cheryl
captcheri@gmail.com

For the Good of the Club

Friendly Reminders...

1. All leftovers for club member usage will be put into the WHITE refrigerator. All items will be labeled with what it is and when it was put into refrigerator. Please help yourself to any of those items. Please STAY OUT of the Stainless Refrigerator or Freezer as much as possible.
2. If members put anything in the WHITE refrigerator, please put your name on it so that members are aware it is NOT for their usage but belongs to a member.
3. The WHITE refrigerator will be cleaned out on a regular basis and, if you do not want your items to be tossed, your name MUST be on the items.
4. We now have bar food AVAILABLE FOR SALE. Items are NOT free. Please be sure to ring the items up correctly in the register. There is a classification for "ICE" and "ICE CREAM" under snacks. Make sure you pick the correct description. Neither of these items should be rung up as a "SNACK" no matter what the amount of the snack. Also, if you would like to see a specific food item for sale at the club, please let Erni Heiser know and she will see what she can do.
5. There is now a small deep fryer dedicated to "SEAFOOD ONLY". It is clearly marked so please be courteous to your fellow members and do not fry any Shrimp in the other fryer. Some people are allergic to seafood and we are doing all we can to avoid problems.
6. Last, but not least, please leave the kitchen the way you found it when you use it. Please wipe up the counters, wash AND DRY all dishes and put them back where you found them. There are plates for members to use on the storage shelf next to the White refrigerator. Take what you need and put unused plates back into the plastic bag you found them in.

By doing the above, we should be good to go when a Health Inspector shows up with little or no notice. If you have any concerns or questions on any of the above or need more information, please

see Erni Heiser
