Message from Vice Commodore - Robert Burke

Thank you to everyone who came out to the work party before Marley's opening. We received a lot of compliments about how great the club looks.

Marley's opening was a great time!

I am still planning future work parties. Two of which will be before our opening weekend.

The new dock carts arrived yesterday and are at the club.

We are having a meeting on May 5th at 11 a.m. to discuss the opening day ceremony.

Thank you everyone for all your hard work.

Message from Rear Commodore - Kyle Gubernat

Just an update, A pier redecking project is complete and looks great, thanks to everyone who helped get that project done.

We have some extra materials we are going to put away, if you see a board that needs replaced on any of the piers let me know.

In the coming weeks we will be putting together a work party to get the fire suppression line rehung on B pier, keep an eye out for an email for that work party. Also, there is some service work going on with the WiFi to get it back fully functioning.

If anybody has any questions or concerns please reach out.

I look forward to seeing you all down at the club as boating season has officially begun! Hope everyone is coming to Great Oaks at the end of the month.

As always Stay classy Redeye, stay classy.

Message from Fleet Captain - Dave Cohen

We are going to honor our member Jeff Mitchell as their Vice Commodore at Galloway's opening this Saturday May 4th!

We are also booking for Memorial weekend at Great Oaks then Labor day at Kent Narrows. Also, if anyone is interested, Father's Day weekend, we are heading to Rock Hall staying at North Point Marina.

Please feel free to reach out with any cruising suggestions!

Thank you all for the help getting our club in order.

Message from Chaplain Steve Culhane

Heavenly Father,

Watch over us as we prepare our vessels for the upcoming boating season. Keep us safe as we start to venture out on the waterways you have provided.

We have out Cinco de Mayo party this weekend!

The bar is staying pretty busy even on the weekdays.

I would like to ask our membership if you are hanging at the bar, please clean up your glasses and if the trash is full take it out so it's straight for the rest of our members. We do not have a trash ferry to empty cans behind the bar.

We have some things to get work hours, so if you're interested, please text or email me.

Thank you
