*November 2024
Vol. XI*

Message from Commodore - Robert Burke

I want to thank everyone who came out to the Ball and a special thank you to Shawn & Melissa!! The food was amazing. We received many compliments, and it was definitely one of the highlights of the ball.

I also want to thank Erni and Kitty for the appetizers and desserts and Deb and Liz for helping with registration.

We could not have had a successful ball without the help of many of you; so thank you to everyone that helped make it a great success!

Although the weather is getting colder, I hope to see many of you at the club for work parties, meetings, and parties.

Let's get this winter over with and get back to boating season soon.

Message from Vice Commodore - Kyle Gubernat

Here we are in November! Time is going by so fast. Hopefully winter flies by and we can get back to boating and warmer weather ASAP!

I'm going to get a list of things together that need done for house and grounds and will be having work parties coming up so be on the lookout for them. There will also be a work party for winterizing the piers and putting in ice eaters, keep an eye out for that also.

Thanks to everyone who came to the ball, it was a great time. Shout out to Shawn for the food, it was top notch!

We will be sponsoring a boy that goes to Wyatt's school for Christmas this year. His family also experienced a fire in August, and they are living in a hotel. Ashley has been in contact with the school's guidance counselor getting a list of his sizes, what he needs for the winter months, etc. Just as I have done in the past, the December meeting will be the deadline and for every gift you bring for this little boy you get a drink on me! Years past Redeye has gone above and beyond and done AMAZING with giving around the holidays when we do toy drives, giving to woman and children shelters etc. I will be sending out another email with more info about this kiddo as well as have a printout at the club of it.

As always, Stay classy Redeye stay classy!

Message from Rear Commodore - Dave Cohen

As you know we are looking at November 16th to be winterizing the piers depending on the weather!

Hoping everyone is getting their last of the fall boating in!

Any questions or concerns please let me know.

Thank you to the people who helped with the deck wrapping.

Message from Chaplain Steve Culhane

Heavenly Father,

As we move on with the last days of warm weather. Let us thank you for the gifts you provide.

As Always let us remember the true peace of God begins anywhere on the water.

In your Name,

AMEN
